

Cameron Moore JP

Civil Celebrant

Choose from a choice of colors that will embody your personalities in the creation of a sand ceremony memento, to symbolize your union as husband and wife. Select your favorite color that associates your love to two of the colors of the rainbow!

Brown: The color of earth and wood, signifying a solid and reliable soul. Brown helps to create a comfortable relationship, it personifies credibility, solidity, strength, and maturity.

Blue: The color of the ocean, symbolizing trust, loyalty, and ones dedication and commitment. Blue generates calming, tranquil, and a peaceful environment for an ever-lasting romance and relationship.

Red: The color of love. Red ignites a warm, loving, and passionate relationship, which encourage excitement and intensity, emotions not to be forgotten!

Yellow: The color of the sun, (meaning light) signifying consistency and joy! Yellow builds an optimistic, playful, positive disposition toward life, love and an ultimately a joyful relationship.

Green: The color of nature, renewal and vigor. Green balances the forces of compassion, energy and wealth; leaving a lasting impression and a sense of wonder for a realistic and natural relationship.

Pink: The color of happiness and tenderness. Pink is for the romantic softhearted soul that has a calm inner-self. Pink inspires a playful and happy relationship.

Orange: The color of autumn and the sunset. Related to contentment, and wholesomeness; a relationship wrapped in orange will be safe, fulfilled and undeniably warm.

White: The color of innocence and peace. A clean and sanctuary soul describes a white personality; uplifting and refreshing wisdom are emotions that are evoked in a white relationship.

Purple: The color of loyalty, dignity and sophistication. Purple has unbelievable drive and passion; a very inventive soul chooses purple, this leads to a successful and prosperous relationship.
